

THE 8th KOREAN-AUSTRALIAN RHEOLOGY CONFERENCE 2015

SECOND CIRCULAR

Seoul National University
Seoul, Korea
November 5-7, 2015

Korean Society of Rheology invites you to participate in the 8th Korean-Australian Rheology Conference that will be held in Seoul, Korea from 5th to 7th of November, 2015. This conference will provide an international forum to showcase the rheological researches in Korea, Australia, and the Asia-Pacific region. The purpose of this conference is to provide a platform for the reporting of the latest results concerning issues related to various aspects of the rheological and flow properties of materials. All scientists and engineers interested in rheology and related area are invited to participate in this conference.

We only plan to publish a booklet of abstracts but we encourage participants to submit a manuscript of the paper so that it can be considered for publishing in the Korea-Australia Rheology Journal.
